## Whio (Blue Duck) sightings

If you are lucky enough to see any Whio, we would love to hear from you. We need to know where and how many you saw.

Other valuable info you could give us:

- Whether you saw a male (he whistles) or a female (she growls/croaks).
- If you saw ducklings we would love to know their approximate size and how many you saw.

**Record the information in the DoC Hut Book and/or Phone information to:**  
The Palmerston North DoC office - 06 350 9700 or text Janet 027 341 8945.
