LETTERS TO THE EDITOR

Roaring Stag Lodge.

Dear Sir,

It is apparent that a certain member of the P.N.T.M.C. is afflicted with the dubious habit of overhearing or eavesdropping on "a discussion between some members who went on the trip." A noteworthy aspect is that aforesaid member BEFORE word had been received from the overdue party had his gear packed and ready to go and was looking forward to a stroll in the bush, with great anticipation and with little regard for work. The bitter, utter and complete disappointment when this did not happen was duly noted.

Yours etc.

Sue Streeter.

Tararua Biscuits.

Dear Sir,

Our master chef must be commended for his Tararua Biscuit recipes. These constitute wholesome solid food. They can also be used for paving stones and roof tiles.

Yours etc.

Heather Crabb.

P.S. 10-15 minutes baking time should be enough.
