NOTICES

Another lamb will be deserting the flock to graze in distant pastures. They tell me its called wedlock. Yes none other than our charming young Pom from Himatangi, Miss Pamela dicks who has recently got engaged to John Schofield. When married Pam and John will be living over on the East coast at Castlepoint.

Well as Pam is our typist, or was, or still is that is for the time being the Committee is asking for any volunteers for the responsible and rewarding position of typist, which involves several hours each month. Since I know it just simply means that Pam cannot get married. But however all this is possibly totally irrelevant because it probably won't get past the typist.

Anyway congratulations Pam and on behalf of everyone I would like to wish you all the best in the future happiness.

Warning

The electricity department has advised us that the No 2 Mangahao Dam will be emptied on Monday 23rd February at 6.30 a.m. weather permitting. Fluctuations in river level can be expected any time in the following week, and consequently trampers are advised to avoid the Mangahao River during this week.

Coming Event

February 28th Senior Trampers Marathon:- This annual event run (literally) by the Tararuas Tramping Club will once again be held in the Orongorongo Valley. This year the P.N.T.M.C. intends to win all races so aspiring runners please give your names to Tim Short Pone 80-152 by the 20th as entries close on the 23rd February. Reminder there are also billy boiling competitions, obstacle races etc.

For Sale

Alan Scott 12 Campbell St., Phone 88-735 has climbing gear ie slings nuts, rope etc. for sale.

Committee Meeting

On MONDAY 16th February at Trevor Bissell, Flat 1 378 Botanical Road, Palmerston North.

20th December A One Day Northern Crossing

This was no Friday night to South Ohau Hut to shorten the day's run. The first walking began just before 5 a.m. from the farm house and day break welcomed the four stalwarts on the lower gorge track.

A second breakfast was consumed at South Ohau before the climb up to the New Improved Te Matawai Hotel. Having swept the kitchen floor the group plodded on and into the Tararuas mists. The best route off Arete was not followed but never mind.

Lunch was taken soon after with a view of Arete Forks in such shelter that the lee slopes provided from the wind. The next stop was Tarn Ridge Hut where the reserves of strength were built up for the climb ahead. However, Girdlestone, Broket & Mitre were eventually traversed leaving a beautiful downhill run all the way down to Mitre Flats.

The weekenders provided hot drinks and good company (not the Gregg's Coffee type).

Slightly refreshed four sleepwalkers invested a couple of hours of their time on the Barra Track. At 9 p.m. (16 hours from the farm house) the road and shelter was reached. Roy lost a game of chance and as a result accompanied Tim to the nearest available telephone, 1 hour down the road. The slackers discovered meanwhile, that gravel can make a comfortable bed.

Thanks to John Williams for driving over to pick up 4 very weary people and delivering to their abodes at 3.30 a.m.

The stalwarts:- Tim Short, Roy Wilson, Peter Darragh, and Trevor BISSELL.
