3. **Former member** Martin Speller is engaged!!
4. **Inter Club Debate – Club Night 30 July** – The Trudge Trophy has returned home! Powerful oratory and crushing rebuttal coupled with irresistible logic won the day. Colin Elliot, Linda Keall and Mike Freeman presented a powerful case for the negative on the topic "That women make better trampers than men". The Massey team were well prepared, but just didn't match our team in the power of their delivery. It was one of the best debates for some years. Thanks to all those who participated or gave support.
